

# PRINTS IN MOTION™

## A Solvent Printing and Wrap Application Tour

Learn about the Wrap process and how it can help grow your business. Join New Vision for a full day of instruction and live demonstrations from HP, 3M, Summa, Onyx and GBC. Experts including nationally-certified 3M installers and HP Certified Solvent Technicians, will be on hand to provide an introduction to solvent printing and vehicle wrap application including:

- Marketing and ROI of Wrap Services (how to make \$\$ in wrap services)
- Vehicle Wrap Design (using templates, design applications)
- Printing and Finishing (media types, file processing and RIPs, contour cutting)
- Wrap Installation 101 (basic steps and tools)
